PRIMARY EXAMINER**

DETAILED ACTION

Reasons for Allowance

The appeal brief filed September 17, 2007 have been fully considered, and found persuasive to over come the rejections on the record. The cited references as a whole do not provide sufficient teaching or suggestion for claimed composition featured as microemulsion with substantial amount of water, as the primary references expressly teach much less amount of water compared with the claimed invention. The primary references also fails to teach microemulsion.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shengjun Wang whose telephone number is (571) 272-0632. The examiner can normally be reached on Monday to Friday from 7:00 am to 3:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan, can be reached on (571) 272-0629. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
